The Division of Oil, Gas, and Mining ("Division") moves the Board of Oil, Gas, and Mining ("Board") to continue the hearing in the above entitled matter until the next regularly scheduled Board hearing on January 26, 2011.

This matter consists of three requests related to reclamation violations of the Utah Mined Land Reclamation Act at the B&C Limestone Quarry, Sanpete County, Utah, operated by Bryce Haas ("Respondent"). UTAH CODE ANN. §§ 40-8-1 et seq. (2010).

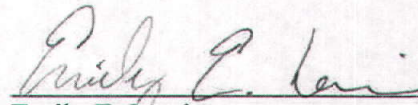

The Division served the Respondent with an ADMINISTRATIVE SUMMONS at his residence on November 18, 2010. The Division has also personally contacted the Respondent about the matter. The Respondent has informed the Division he is currently out of state, and at times the country, and will not be able to attend the December hearing.

The Respondent expressed a strong interest in participating in the hearing and as a courtesy to the Respondent, the Division has agreed to pursue this Motion to Continue.

Accordingly, the Division moves the Board to continue the hearing of this matter until the Board's hearing scheduled for January 26, 2011 to permit the Respondent appropriate time to prepare his materials and make arrangements to attend the hearing.

Respectfully submitted this 1st day of November, 2010.
